PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to enable the District to continue to obtain maintenance and repair services of its KME built or modified apparatus, fire engines, and trucks. KME will provide intermittent and as-needed repair services for any KME built or modified apparatus, fire engines, and trucks.

These services require specialized work that cannot be performed by District personnel. KME has the necessary experience and expertise to perform the services, which will allow the District to ensure the safety of its employees and to achieve its mission to protect lives. KME has performed these services under a contract approved by your Honorable Board in 2004 and has maintained a proven performance record since that time.

Approval of the recommended action will enable the District to continue to provide essential services throughout Los Angeles County, such as emergency medical transports and firefighting.

Implementation of Strategic Plan Goals

Approval of the recommended action will enable the District to continue to fulfill the mission of protecting lives, property and the environment by providing fire protection and life safety services. It is consistent with the overall County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The District's Fiscal Year 2012-13 operating budget includes sufficient funding for these services. Funding required for continuing these service will be budgeted annually. The rates are attached (Attachment B). There is no impact to net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is the OEM and all inspection, maintenance, and repair of the KME built or modified apparatus, engines, and trucks will be done in accordance with OEM guidelines. The District is authorized to contract for these services under California Health and Safety Code Section 13861 and Public Contract Code section 20812. KME is in compliance with all applicable requirements and is accepted based on its qualifications, experience, and willingness to comply with County and District ordinances and policies. KME is in compliance with all Board requirements and will not be expected to perform services that exceed the contract sum, scope of work, or term.

The contract has been signed by KME and has been reviewed and approved by County Counsel. On final analysis and consideration of the award, this vendor was selected without regard to race, color, creed, or national origin.

ENVIRONMENTAL DOCUMENTATION

The services provided through this proposed contract will not have a significant effect on the environment, and therefore is exempt from CEQA, pursuant to Section 15061 (b) (3) of the CEQA Guidelines.

CONTRACTING PROCESS

The District notified your Board on April 6, 2012 of our intent to negotiate a sole source contract with KME, per your Board's contracting policy requirements, In addition, we have provided the sole source checklist (Attachment C) approved by the Chief Executive Office detailing our justification for use of a sole source contract.

KME has submitted all required forms. The local Small Business Enterprise (SBE) program's provisions were included in the required forms. The contractor was not certified as a Local SBE vendor.

The District has evaluated and determined that KME complies with the District's policy of compliance with the Community Business Enterprises Program (Attachment D), Child Support Compliance Program, Contractor's Responsibility and Debarment Program, the Safely Surrendered Baby Law, Contractor Employee Jury Services-Program, and agrees to maintain compliance with all terms and conditions throughout the term of the contract. KME was evaluated and deemed capable of performing the services requested, based on qualifications

and experience as stated in their sole source package, and as demonstrated in prior contracts with the District. This is not a Proposition A Contract; therefore, it is exempt from the Living Wage Program (County Code Chapter 2.201).

IMPACT ON CURRENT SERVICES

There will be no significant impact on current services as there will be no displacement of any County employees. These services are presently contracted with KME; therefore, the contract will not result in a reduction of service and there is no change in risk exposure to the County.

CONCLUSION

Upon approval by your Honorable Board, the District requests the Executive Office of the Board to notify the District's Contract Administrator, Lucy Guadiana at (323) 838-2275 when the documents become available.

Respectfully submitted,

DARYL L. OSBY, FIRE CHIEF

The Contractor shall comply with Exhibit D - Contractor's EEO Certification.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the District's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the District's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service

Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the District or a subcontract with a District Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more District contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the District, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the District under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the District if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program.

The District may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the District's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, District may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future District contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No District employee whose position with the District enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the District's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the District's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent District employees who are targeted for layoff or qualified, former District employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The District will refer GAIN/GROW participants by job category to the Contractor.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, District employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the

Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the

District shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing

Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.26.1 If, in the judgment of the District's Contract Director or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the District's Contract Director, or his/her designee, at

his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the District, will be forwarded to the Contractor by the District's Contract Director, or his/her designee, in a written notice describing the reasons for said action.

8.26.2 If the District's Contract Director, or his/her designee, determines that there are deficiencies in the performance of this Contract that the District's Contract Director, or his/her designee, deems are correctable by the Contractor over a certain time span, the District's Contract Director, or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the District's Contract Director, or his/her designee, may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction, or as specified in the Performance Requirements Summary (PRS) Chart, as defined in Appendix C, Technical Exhibit 2, hereunder, and that the Contractor shall be liable to the District for liquidated damages in said amount. Said amount shall be deducted from the District's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the District may correct any and all deficiencies and the total costs incurred by the District for completion of the work by an alternate source, whether it be District forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the District, as determined by the District.

8.26.3 The action noted in sub-paragraph 8.26.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the District cost due to the failure

of the Contractor to complete or comply with the provisions of this Contract.

- 8.26.4 This sub-paragraph shall not, in any manner, restrict or limit the District's right to damages for any breach of this Contract provided by law or as specified in the PRS or sub-paragraph 8.26.2, and shall not, in any manner, restrict or limit the District's right to terminate this Contract as agreed to herein.

8.27 MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any District, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the District.

8.28 NONDISCRIMINATION AND AFFIRMATIVE ACTION

- 8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.
- 8.28.2 The Contractor shall certify to, and comply with, the provisions of Exhibit D - Contractor's EEO Certification.
- 8.28.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay

or other forms of compensation, and selection for training, including apprenticeship.

- 8.28.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor shall allow District representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.28 when so requested by the District.
- 8.28.7 If the District finds that any provisions of this sub-paragraph 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which the District may terminate or suspend this Contract. While the District reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict District from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 NOTICE OF DELAYS

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 NOTICE OF DISPUTES

The Contractor shall bring to the attention of the District's Contract Manager and/or District's Contract Director any dispute between the District and the Contractor regarding the performance of services as stated in this Contract. If the District's Contract Manager or District's Contract Director is not able to resolve the dispute, the Fire Chief, or authorized designee shall resolve it.

8.32 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit I of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

8.34 NOTICES

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E - District's Administration and F - Contractor's Administration. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The District's Contract Administrator shall have the authority to issue all notices or demands required or permitted by the District under this Contract.

8.35 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the District agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the District's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to sub-paragraph 8.38 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the District. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The District shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the District is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify

the District from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the District shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the District without the prior written consent of the District's Contract Director. The District shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of District, indicate in its proposals and sales materials that it has been awarded this Contract with the District, provided that the requirements of this sub-paragraph 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the District, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available

to the District during the term of this Contract and for a period of five (5) years thereafter unless the District's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the District's option, the Contractor shall pay the District for travel, per diem, and other costs incurred by the District to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the District shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the District may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the District conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the District's dollar liability for any such work is less than payments made by the District to the Contractor, then the difference shall be either: a) repaid by the Contractor to the District by cash payment upon demand or b) at the sole option of the District's Auditor-Controller, deducted from any amounts due to the Contractor from the District, whether under this Contract or otherwise. If such audit finds that the District's dollar liability for such work is more than the payments made by the District to the Contractor, then the difference shall be paid to the Contractor by the District by cash payment, provided that in no event shall the District's maximum obligation for this Contract exceed the funds appropriated by the District for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the District landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 SUBCONTRACTING

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the District**. Any attempt by the Contractor to subcontract without the prior consent of the District may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the District's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the District.

8.40.3 The Contractor shall indemnify and hold the District harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.40.5 The District's consent to subcontract shall not waive the District's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this District right.

8.40.6 The District's Contract Director is authorized to act for and on behalf of the District with respect to approval of any

subcontract and Subcontractor employees. After approval of the subcontract by the District, Contractor shall forward a fully executed subcontract to the District for their files.

8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the District's consent to subcontract.

8.40.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the District from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

Consolidated Fire Protection District of Los Angeles County
Administrative Services Bureau/Contracts Sections

5801 S. Eastern Avenue, Suite 100

Commerce, CA 90040-4001

before any Subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH DISTRICT'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Contractor's Warranty of Adherence to District's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the District under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the District may terminate this Contract pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the District, in

its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the District, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with sub-paragraph 8.38, Record Retention AND Inspection/Audit Settlement.

8.43 TERMINATION FOR DEFAULT

8.43.1 The District may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of District's Contract Director:

- Contractor has materially breached this Contract; or

Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the District may authorize in writing) after receipt of written notice from the District specifying such failure.

8.43.2 In the event that the District terminates this Contract in whole or in part as provided in sub-paragraph 8.43.1, the

District may procure, upon such terms and in such manner as the District may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the District for any and all excess costs incurred by the District, as determined by the District, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the District in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.43.4 If, after the District has given notice of termination under the provisions of this sub-paragraph 8.43, it is determined by the District that the Contractor was not in default under the provisions of this sub-paragraph 8.43, or that the default was excusable under the provisions of sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.42 - Termination for Convenience.

8.43.5 The rights and remedies of the District provided in this subparagraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The District may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any District officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the District shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a District officer or employee to solicit such improper consideration. The report shall be made either to the District manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The District may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or

The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the District provided in this subparagraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF DISTRICT LOBBYIST ORDINANCE

The Contractor, and each District Lobbyist or District Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the District's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any District Lobbyist or District Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the District may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the District shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the District's future fiscal years unless and until the District's Board of Supervisors appropriates funds for this Contract in the District's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The District shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the District of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the District to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the District shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

REVISED SOLE SOURCE CHECKLIST

Check (✓)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS
	<i>Identify applicable justification and provide documentation for each checked item.</i>
X	<p>➤ Only one bona fide source for the service exists; performance and price competition are not available.</p> <p>The County of Los Angeles Fire Department ("District") currently owns and operates over 150 KME apparatus (approximately 50% of the emergency apparatus fleet). KME Fire Apparatus, the recommended contractor, is the sole manufacturer of the KME aerial ladder apparatus currently utilized by the District. KME also modifies other Department fire engines and trucks with KME equipment. KME will provide intermittent, as-needed repair services to the District's fleet of KME aerial ladder apparatus and KME-modified fire engines and trucks. All aerial ladder apparatus are required to meet the National Fire Protection Agency standards 1914, chapter 4. These repairs services are essential to ensure that the District's aerial ladder apparatus, modified fire engines, and modified trucks are readily available for emergency responses. The KME factory branch located in Ontario, California is the official warranty repair facility for KME apparatus and equipment in Southern California.</p>
	➤ Quick action is required (emergency situation).
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
X	<p>➤ Other reason. Please explain: KME Fire Apparatus is the only authorized service center that repairs KME built or modified apparatus, fire engines, and trucks with KME equipment..</p>
